Frequently Asked Questions

**RTAA RAIL
INDUSTRY
FIELD DAY**

2019

What is the RTAA Rail Industry Field Day event?

The RTAA Rail Industry Field Day event is the biggest outdoor rail event in Australia held over two days. It is an event that showcases innovation and technology in the industry. This includes via:

- Indoor and outdoor exhibitor stands/booths
- Onsite equipment and machinery (for example: onsite tampers)
- Outdoor demonstrations (for example: welding demonstrations)
- Presentations on projects and innovative initiatives (held in the Fettle's Shed - see over page).

When is it held?

The next event is 3-4 April 2019.

The RTAA Rail Industry Field Day usually takes place biannually.

Where is it held?

Sydney Trains, 2 Worth Street, Chullora NSW (see over page for a map of the location).

What does it cost?

The RTAA Rail Industry Field Day event is free to attend.

How do I get there?

A complimentary shuttle bus is provided for all attendees from Lidcombe Train Station. This operates approximately every 15 minutes.

There is on-site parking available for attendees and exhibitors.

Do I have to wear PPE or bring anything?

Flat enclosed shoes must be worn to the event. No other PPE is mandated however it is recommended that long sleeves and pants are worn. A hat is also recommended. Sun screen is provided on-site.

Complimentary refreshments including tea/coffee and lunch are also provided.

What happens when I arrive?

All attendees (including speakers and presenters) must attend the registration booth and participate in a short site induction. Attendees are given an event 'showbag' that includes a site map, sponsor information and event program.

All exhibitors will be provided with a 'bump in' time and instructions as part of their exhibitor pack. This is provided on confirmation of exhibitors following payment of fees.

Who attends the RTAA Rail Industry Field Day event?

Anyone who is interested in the Australian rail industry can attend.

The event is free and open to anyone.

In the past, over 2,000 people have attended from within and outside the rail community. This includes senior representatives from industry and government, as well as a wide range of roles such as engineers, graduates, project managers and track workers. More recently attendees have also come from educational institutions including schools.

In 2019 we expect to attract more than 2,500 participants.

What is the Fettlers Shed?

The Fettlers Shed is a dedicated space onsite that hosts presenters from across the rail industry. Topics at the last event focussed on innovation in rail and speakers were drawn from government and non-government agencies.

Each presentation is 30 minutes and includes a Q&A to enable the audience to ask questions.

To register interest in presenting at the Fettlers Shed, contact +61 3 9863 7608 or email michelle.bye@encanta.com.au.

What else happens during the event?

The RTAA Rail Industry Field Day starts with an opening ceremony to welcome attendees. The ceremony includes industry dignitaries and the RTAA President.

Throughout the two days, outdoor demonstrations are announced by the event MC as well as advising attendees of each Fettlers Shed presentation.
